

was started in the early 90's (under a different name) to cater to Jeep owners that wanted to experience what their Jeep vehicles are capable of doing. We are a family orientated Club that practices Tread Lightly policies. The Flint Hills Jeep Club is open to anyone that owns a Jeep vehicle and is the only Jeep exclusive Club in Kansas. We have Jeeps from the 40's to present day Grand Cherokees, from stock to extremely built, and every thing in between. During any Club functions or events no drugs or alcohol are allowed, therefore most of our events are attended by the entire family, from member's parents to children in car seats.

If you are interested in trail rides we offer those too. Normally each month after our meetings, we head for the trails in the area of our meetings, where there are trails for everyone to enjoy and test their skills. The Club also takes part in regional events and attends some of the smaller community's parades during the summer months. We also plan different events throughout the year, like our yearly Christmas dinner and trail ride and participate in the Adopt-A-Trail program at the Kansas Rocks Park. Several members plan trips out of state and are always looking for other Club members to tag along.

Club dues are \$24.00 due on September 1st. Dues are prorated depending on the month you join. The Club normally meets once a month (check web page for locations and times). Upon joining, you will automatically become a member in the Southwest Four Wheel Drive Association. Members also receive a Club decal for their Jeep vehicle, are added to the Club's mailing list for the monthly Newsletter and e-mail list to keep up to date on the Clubs activities. Fill out the member information sheet and mail it in to start enjoying the benefits of being part of the Jeep family.
